A Pre-Application Consultation Meeting was held to identify key issues and the approvals that will be required and identify the supporting drawings, reports and studies required to achieve complete application status in accordance with the Planning Act and the Toronto Official Plan.

The information identified under the Official Plan Amendment, Zoning By-law Amendment, Plan of Subdivision and Plan of Condominium sections must be provided in accordance with the provisions of the Planning Act and the Toronto Official Plan. The information identified under the Site Plan Control Application section is being requested by the City in order to enable your site plan control application to be evaluated efficiently.

Notes:

- The identification of information and materials in the checklist is based on the material submitted to date. This checklist is provided as a guide, only. It is preliminary and does not constitute a statutory Notification of Complete / Incomplete Application. City Planning Division will notify you of outstanding material required within 30 days of your submission, as required by the Planning Act.
- There may be additional financial requirements arising from the application to be paid by the proponent, including, but not limited to, park dedication or cash-in-lieu, peer review of technical reports, agreements and associated fees and applicable securities

Proposal

Date of Meeting:			
Applicant: Bousfields	Name: Catlin Allan	Tel: (416) 947-9744	Email: callan@bousfields.ca
Address of Subject Lands:	3400 Weston Road		
Summary/Description of Proposal	The proposal seeks to intensify underutilized portions of the subject property by introducing in an infill residential building to the site. This development would include a 35 storey residential tower with 4 storey slab residential base. The proposal contemplates adding 493 new rental units to the site. The existing rental buildings (containing 520 units) would be retained. The proposal includes 498 total parking spots, and would increase the site's FSI to 2.80.
